August 2008 - Our summer rest.

This year 2008 we start summer vacations on August 14, for the local holiday of our town La Bisbal d'Empordà. The "Festa Major" of La Bisbal is known on the whole Empordà territory because several festive, entertaining and emblematic events are taking place, for example the "Correfoc". These holidays, in which we invite you to come, last from August 14 to August 18.

After two weeks of vacation, we will return on August 31, being at your disposal again. We wish you all a very pleasant summer and happy holidays.
